AVAILABLE PERIMETER COLLEGE SCHOLARSHIPS
DEADLINE: JULY 1, 2017

PERIMETER COLLEGE SCHOLARSHIP INSTRUCTIONS

- PLEASE DO NOT STAPLE YOUR APPLICATION DOCUMENTS TOGETHER. Please use paper clips rather than staples when putting together your application packet(s). Staples delay processing and delays in processing means delays in notifying students about whether or not they have received scholarships.

- Carefully review the available scholarships and determine the scholarships in which you meet the eligibility requirements.

- Apply only for the scholarships in which you meet all of the criteria. Don’t meet all of the criteria? Please email us at pcscholarships@gsu.edu before applying for the scholarship and we can let you know if there is any flexibility in not meeting all of the eligibility requirements.

- You must submit a separate application for each and every scholarship in which you want to apply. Our office cannot copy application materials for you.

- After you have carefully reviewed the eligibility requirements and are ready to apply; complete the scholarship application. Then gather all of the listed required supplemental application materials. Again, our office cannot copy application materials for you.

- All required materials must be postmarked by Saturday, July 1, 2017 if you are using US postal mail (please do not use UPS or FedEx, we recommend using US postal mail only to avoid delays). If you plan to hand deliver your applications, they must be delivered by 4:00 PM on Friday, June 30, 2017 or received in intercampus mail by 4:00 PM on Friday, June 30, 2017. Sliding applications under the scholarship office door after 4:00 PM EST on Friday, June 30, 2017 will not be acceptable, please take your applications to the post office if you miss the hand delivery deadline.

- Need a letter of recommendation? Be sure to give those writing your letters of recommendation AT LEAST two weeks to complete your request. Letters of recommendation must also be submitted by the deadline, so please plan ahead and request letters of recommendation early.

- If you will not be returning to Perimeter College for the Fall 2017 semester you should not apply for these scholarships. Funds for these scholarships will not be posted to recipients’ accounts until the Fall 2017 semester and cannot be transferred to other colleges within Georgia State University.

- We confirm all applications received. Please allow up to 30 business days (Monday through Friday excluding holidays) for confirmation. Unfortunately, we are unable to confirm the receipt of applications sent on deadline day due to the overwhelming volume of mail and walk-ins we receive on that day. Confirmation will be sent to your GSU email address only, not your personal email address.

Students who will not be returning to Perimeter College for the Fall 2017 semester should not apply for these scholarships. Funds for these scholarships will not be posted to student accounts until the Fall 2017 semester.
