NURSING SCHOLARSHIPS

Submitting an application packet for Perimeter College General Nursing Scholarships will put you in the running for all general Perimeter College Nursing Scholarships that are available for the October 1, 2016 deadline. In the past, students submitted separate applications for each scholarship in which they were interested in applying. We understand how time-consuming that can be, so now we are asking for one application packet for each scholarship category and we will use this packet to consider you for all of the general nursing scholarships that we have available at Perimeter College. For more information about our new process check out.

*****Nursing students, you don't just have to apply for nursing scholarships. You can apply for community service scholarships as well as scholarships through the Perimeter College General Scholarship Consideration process (or any other scholarship that you meet the requirements for) and we encourage you to do so. Just keep in mind that those application materials (including the letters of recommendation) must be postmarked by October 1, 2016.**
