DO NOT STAPLE YOUR APPLICATION MATERIALS TOGETHER. Use paper clips rather than staples when putting together your application packet(s). No paper clips? That’s okay, don’t use staples, just stack the documents together.

All required materials must be postmarked by Thursday, March 1, 2018. We recommend using US postal mail only to avoid delays (do not use FedEx or UPS stores). If you plan to hand-deliver your applications, they must be delivered by 4:00 PM EST on Thursday, March 1, 2018 or received in our office via intercampus mail by 4:00 PM on Thursday, March 1, 2018. See page 2 for information on where to send your applications.

You must be currently enrolled at Perimeter College to be eligible for study abroad scholarships.

We confirm all applications received. Please allow up to 30 business days after the deadline date (Monday through Friday excluding holidays) for confirmation. You should receive a confirmation email from us by Tuesday, April 10, 2018. Please do not contact our office requesting confirmation prior to Tuesday, April 10, 2018. Responding to these requests delays processing. If you need immediate confirmation, we recommend hand-delivering your application. Confirmation will be sent to your GSU email address only, not your personal email address.

The confirmation email will outline when we believe we will be able to notify recipients. We will email you either way (if you have or have not received a scholarship). If you are selected for a scholarship, you will need to respond to our office by a deadline and you will be notified prior to the final notification deadline for all recipients. It is critical that you check your email throughout the process.
