

## Take Our Daughters and Sons to Work® Day

Thursday, April 25, 2019

---

Dear Perimeter College Faculty and Staff,

We are pleased to invite you and your children to participate in Perimeter College's **Take Our Daughters and Sons to Work® Day on Thursday, April 25, 2019**. You must have manager approval. *If you work for a department that reports to the Atlanta campus, ask your manager if your division or department is participating.*

### What is it about?

Perimeter College's **Take Our Daughters and Sons to Work® Day** is based upon the national campaign, *Take Our Daughters to Work Day*, which was created in 1993 by the Ms. Foundation. This special event gives children the opportunity to go to work with a parent instead of going to school for one day.

### What is the Purpose of the Program?

The purpose of the program is to encourage, inspire, and introduce girls and boys across the country to the workplace and empower them to dream without gender limitations and think imaginatively about their family, work, and community lives. It is designed to help children expand their career aspirations by giving them a chance to experience various careers firsthand.

### Who is invited?

Children, ages 8-18, are invited to participate. Perimeter College faculty and staff are encouraged to bring their daughters, sons, grandchildren, nieces or nephews.

### What will they do at Perimeter?

Children will spend time with you in your office and complete a survey at the end of the day. Group activities may be planned, depending on the level of participation.

### How do I register?

Complete a **registration form and participation agreement and waiver** and return to Fran Mohr at [fmohr@gsu.edu](mailto:fmohr@gsu.edu). Both a registration form and agreement must be received by **Thursday, April 18, 2019**. Registrants will receive a confirmation upon receipt. A second email will be sent regarding approval of participation.

**PLEASE NOTE:** All children must pre-register and parents must accompany their children to any planned campus activity. A schedule of any planned activities will be sent to those who register. Even if your child will be accompanying you to work, but will not be participating in any planned activity, you must complete a registration form and participation agreement and waiver. **This is for your protection and the protection of your child.**

We hope you will participate in Perimeter College's **Take Our Daughters and Sons to Work® Day**. It promises to be a fun-filled interactive experience that you and your children will surely remember!
